

Topics in Declarer Play at Bridge

The fun way to improve your declarer play!

Eddie Kantar teaches *Topics in Declarer Play – Interactive CD-ROM Edition* is based on the bestselling book of the same name. The ideas (entry management, suit establishment techniques, finessing – both how and how not to, counting and endplays) are handled thoroughly, but in a way that any reader can understand.

This software edition presents the material in interactive mode, giving you a chance to try the questions, practice hands, and tests. At the same time, the animated hand diagrams make it a snap to follow the play of card combinations or complete deals – and you can repeat an example as many times as you like!

Praise for Eddie Kantar's 'Defense' CD-ROMs:

"I liked the book, but I'd choose the CD version without reservation!"
PAUL LINXWILER, ACBL Bulletin

"Comprehensive, yet crystal clear, and full of Kantar's inimitable humor"
PAUL SOLOWAY, four-time World Champion, and ACBL all-time leading master point holder

System requirements: IBM compatible computer, Windows; 10MB free hard disk space; CD-ROM drive; 8MB RAM; at least 800x600 screen resolution.
